# GREATER GARDNER ARTISTS ASSOCIATION

## HAPPY NEW YEAR!

### FUN WITH DIRTY FINGERS

*"The best thing about the future is that it only comes one day at a time." —Abraham Lincoln*

Start the New Year off right with a creative hands-on demonstration. Bob Cole will get everyone involved with a sculpturing project involving clay. Our January 7th meeting will start at 7 PM in the Boland Room, located at 65 Lake St. Gardner, MA. Please bring a butter knife for the project.

### CELEBRATING

A good time was had by all at our Holiday Pot-luck Dinner. We had many great dishes to choose from and an exciting raffle! (Thanks to Joe and Paula) The company of good friends, old and new, made for an enjoyable evening.

The Gardner Ale-house was alive with beautiful paintings, art admirers, and good food and wine at GGAA Member, **Sarah Dyer's** art opening on December 3rd. Congratulations to Sarah who made several sales and shared her art with the many friends visiting her exhibit.
