BRINGING THE OUTDOORS IN

*It is not in life, but in art that self-
fulfillment is to be found—G. Woodberry*

Our demonstrator for February is back by popular demand. Matt Gray will be using his plein air talent to do a landscape. He is a dedicated and enthusiastic painter. Please plan on joining us on Thursday, February 4th in the Boland Room at 7 PM.

SPRING SHOW / April 16th, 17th, & 18th

Spring will be coming soon and with it our 22nd Annual Spring Art Exhibit. Applications are being mailed out and the deadline is March 6th. Please consider volunteering in any way that you can. We need help with set-up, hanging, greeting, raffle and food donations. This year we will once again have a Student Division and we will be featuring a **“budding artists”** area. Children under the age of 12 years who are family members of our GGAA members (i.e. grandkids, nieces and nephews) will have the opportunity to submit a piece of artwork for display! More details will be coming soon.

Sponsorship forms are being included with applications and we encourage everyone who can to consider submitting your business card or putting in 3 lines to help defray the costs of our show. Our dues are minimal and we offer great demonstrations, a monthly newsletter, art exposure (Downtown Gardner storefront, Gardner City Hall, and 2 Library shows) and the opportunity to network and socialize with other artists! Thank you in advance for sharing your artwork and help!
