HOLIDAY DINNER

*"Life is nothing without
friendship."*—

Cicero

December brings thoughts of Christmas and the many busy activities of the holiday season. Please make sure to include the GGAA Holiday Dinner as part of your celebrating. Artists have a creative flair and it usually carries over to the kitchen. We always discover tasty new dishes at

our pot luck. Plan on joining us at **6 PM** in the Boland Room for appetizers and a feast. Bring an art related item for our Chinese Auction. We will vote for entries in December's "Artist of the Month." The theme this time around is—

"Bridges"

DECK THE HALLS & TREE

At our November meeting we had quite an enjoyable time decorating a Christmas ornament. Member, Mary Dunn taught us how to make molds and cast with slip clay.

Everyone who created one of these unique pieces will receive theirs from Mary at the Holiday Dinner on December 3rd.

**Mayor's
Notecard
Contest**

Mayor Mark Hawke is asking GGAA Members to once again submit their artwork for consideration for his official notecard. Paintings depicting scenes of Gardner may be brought to our January 7th meeting.
